recipient that is a State is not required to be matched, but the benefit of the unmatched amount must be shared as provided in 42 U.S.C. 11375(c)(4). Matching funds must be provided after the date of the grant award to the grantee. Funds used to match a previous ESG grant may not be used to match a subsequent grant award under this part. A grantee may comply with this requirement by providing the matching funds itself, or through matching funds or voluntary efforts provided by any State recipient or nonprofit recipient (as appropriate).

(b) *Calculating the matching amount.* In calculating the amount of matching funds, in accordance with 42 U.S.C. 11375(a)(3), the time contributed by volunteers shall be determined at the rate of \$5 per hour. For purposes of this paragraph, the grantee will determine the value of any donated material or building, or of any lease, using a method reasonably calculated to establish a fair market value.

§ 576.57 Other Federal requirements.

In addition to the Federal requirements set forth in 24 CFR part 5, use of emergency shelter grant amounts must comply with the following requirements:

(a) *Nondiscrimination and equal opportunity.* The nondiscrimination and equal opportunity requirements at 24 CFR part 5 are modified as follows:

(1) *Rehabilitation Act requirements.* HUD's regulations at 24 CFR part 8 implement section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). For purposes of the emergency shelter grants program, the term "dwelling units" in 24 CFR part 8 shall include sleeping accommodations.

(2) Use of emergency shelter grant amounts must also comply with the requirement that the grantee or the State recipient make known that use of the facilities and services is available to all on a nondiscriminatory basis. If the procedures that the grantee or recipient intends to use to make known the availability of the facilities and services are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for such facilities and services, the grantee or recipient must establish additional procedures that will ensure that such persons are made aware of the facilities and services. Grantees and recipients must also adopt procedures which will make available to interested persons information concerning the location of services and facilities that are accessible to persons with disabilities.

(b) *Applicability of OMB Circulars.*¹ The policies, guidelines, and require-
